

Chairman's Report

The past 12 months have seen our venue numbers remain relatively constant with some changes in operators.

In the main revenue has been flat.

Return to Community

Pursuant to the provisions of the Gambling Act 2003 Grassroots Trust is required to return 40% of net proceeds to the community. Grassroots Trust are proud that we were able to return 41.37% (down from 42.41% in 2024).

Total turnover was \$66,800,532.00 and grants for the year amounted to \$27,779,274.87.

This is compared to our year end for 2024 being turnover of \$69,688,340.00 and return to community of \$29,244,083.15.

During the year ended 31 March 2025, 56% of our total funding was granted to Sport, 22% to Community & Arts and Culture, 11% to Research & Education, 10% to Health & Welfare and 1% to Environment & Animals.

Our Return to Community was only possible due to the quality of our Venue Operators and the hard work of our Management Contractor, Maxserv, and Suppliers. I thank you all for your support.

Harm Minimisation

Our number one strategic priority is Harm Prevention and Minimisation. The Gambling (Harm Prevention and Minimisation) Amendment Regulations 2023 were enacted by the outgoing government and has resulted in higher standards of harm minimisation being required across the sector.

Although these Regulations were the subject of court applications the industry has now embraced these changes which has seen technological advances to ensure compliance.

Grassroots Trust has continued the implementation of a Facial Recognition rollout so that all problem gamblers can be identified when they enter a venue and are excluded. We see this as an industry leading approach.

We monitor breaches by excluded players on a monthly basis, and we are pleased to report that the technology is working, however there is still a significant portion of excluded players identified by venue staff which gives us confidence that our Harm Minimisation training is of the highest standard.

We pride ourselves on the standard of our Harm Minimisation programme and training.

However, we constantly try to improve. We also regularly review all policies under which we operate as we strive toward excellence in everything we do.

The recently implemented regulation changes mean that the community can have confidence that the industry is taking their Harm Minimisation role seriously.

Grants

Ilt is important that the funds that are distributed are to the areas in which they were generated. We are stringent in adhering to this strategy. A snapshot of the very nature of our funding be they schools, sporting groups, or other community groups is shown as follows:

 The Order of St John - Northern Region Trust Board, Central Region Trust Board and South Island Region Trust Board

Grassroots Trust funded \$1,758,972.41 toward purchasing Ambulances for Kawakawa, Bream Bay, Otamatea, Whangarei, Tauranga, Te Awamutu and Dunedin, two motors for Gen 4 ambulances stationed in Manukau and Whangarei, a Gen 4.1 ambulance engine stationed in Tauranga and an industrial generator for the Te Aroha Ambulance Station.

• The Home of Cycling Charitable Trust

Grassroots Trust funded \$456,631.95 toward multiple salary expenses and various operational expenses.

• Hamilton City Council

Grassroots Trust funded \$400,000.00 toward the development of artificial turf at Korikori Park in Hamilton.

- Waikato Community Hospice Foundation
 Grassroots Trust funded \$250,000.00 toward
 resurfacing the hockey turf.
- Surf Life Saving Northern Region Incorporated
 Grassroots Trust funded \$236,997.85 toward
 vehicle lease expenses, annual audit fees and
 event costs.
- Te Hiku Sports Hub Incorporated
 Grassroots Trust funded \$217,685.15 toward installing heating, ventilation, sanitation and reticulation systems for the swimming pools, purchasing a mower and power expenses.
- John Walker Find Your Field of Dreams Foundation
 Grassroots Trust funded \$135,000.00 toward
 delivering a community swim water safety program
 for Year 3 6 students in South and East Auckland,
 annual audit fees, accounting fees and salary
 expenses.
- The Kids In Need Waikato Charitable Trust
 Grassroots Trust funded \$96,164.00 toward multiple salary expenses.

Our Team

None of this would be possible without the excellent team that make Grassroots Trust a strong and vibrant organisation.

Firstly, our Venue Operators are the ones that manage our gaming activities on a day-to-day basis and are responsible for implementing our Harm Prevention & Minimisation programmes. It is a difficult job you have in this space, and we are grateful for the support and all the efforts you make on our behalf.

Tim Wood, Aaron Lawton and their team at Maxserv provide our management support, they are industry leaders and are a significant reason for the success Grassroots Trust has achieved in recent times.

I also extend my thanks to my Board who treat their function as community funders incredibly seriously. The level of integration we have in our local communities also forms part of Grassroots Trust's ongoing success.

Grassroots Trust looks forward to the coming year from a sound base of growth and excellence in the hope that the upward trend of our operations over recent years continues. We do however, enter a period of uncertainty as the Government are issuing 15 Online Gambling Licenses in February 2026 on a strictly commercial model basis. The impact this will have on our charitable model cannot be determined until the draft Regulations are released. We only hope that the Regulations will be fair to all.

The dollar

Where does the money go?

For every \$1 spent at a gaming machine on average

91%

2.7% COMMUNITY

2.6%
GOVERNMENT DUTY & TAX

1.1%

VENUE

1.1%

MACHINE COSTS

0.5%

OVERHEADS

For every dollar put in to a gaming machine, 91 cents on average is returned to the player in winnings. This is the highest rate of return of any form of legal gambling in New Zealand.

At least 40% of revenue generated from gaming machines and not returned to the player goes towards community initiatives in the form of grants. Every year, pub and club gaming machines return around \$300 million to the community through applications from around 13,000 groups.

The Government receives around 40% in taxes, duties and fees, and the rest goes towards administration and venue costs, and the mitigation of problem gambling.

Around \$11 million of gaming machine revenue goes to the Ministry of Health annually through the problem gambling levy for implementing their harm minimisation programme.

Our Stories

Local funding to local communities

Mountview School (Taupo)

Mountview School prides itself on its reputation for excellence and being a high performance 21st century learning school that engages learners with quality inquiry learning.

At Mountview School, they work in partnership with students, families and the wider community to create a sense of whanaungatanga - a sense of kinship and belonging through shared experiences and working together. Cultural practices, beliefs and behaviours are recognised and valued by all members of the learning community.

Their current playground, over 40 years old, has served the school well. Due to safety concerns, a new playground has been designed to accommodate the physical abilities of all students, ensuring they can access and enjoy the facility safely and inclusively.

Grassroots Trust provided funding of \$100,000.00 towards purchasing playground equipment.

Darfield Rugby Football Club

Founded in 1904, Darfield Rugby Football Club are a large family orientated club that has a long and proud history in both their local community and the national rugby scene.

Grassroots Trust provided funding of \$42,420.00 towards the salary costs of the Club Coordinator.

When the time-consuming administrative tasks are the responsibility of the Club Coordinator, the Club can focus their time on club values, and target areas for enhancing positive impacts for the community.

Grassroots Trust also provided funding of \$44,181.70 towards purchasing uniforms, medical, training and playing equipment.

Community sport is a crucial part of society all over New Zealand, not only does it provide people with health and wellbeing, but it also gives them a sense of belonging allowing them to connect with others.

On behalf of Darfield Rugby Club, "Having a paid Club Coordinator is vital to the smooth operation of the club. It significantly reduces the workload for our volunteers, helping to create a more seamless and enjoyable environment for everyone involved—from players and coaches to parents and supporters. In the current economic climate, one of our key goals is to keep player subscription fees as low as possible to ensure that rugby remains accessible to all. This approach has led to a noticeable increase in player numbers. With this growth, the ability to upgrade our uniforms and equipment has been extremely beneficial and supports our mission of providing a safe, well-equipped, and welcoming club for all.

We thank The Grassroots Trust for their invaluable support in helping us grow and thrive as a community-focused rugby club."

Resport Charitable Trust

ReSport Charitable Trust is a non-profit organisation dedicated to removing barriers to participation for individuals, organisations, and community groups; enabling quality sports experiences for Northlanders who may be experiencing restrictions. ReSport's intention is to reduce financial barriers through the circular gifting economy of new and gently used sports equipment, engaging communities whilst caring for the environment at the same time.

Grassroots Trust contributed \$25,000.00 towards supporting the salary of the Project Coordinator to lead programs and initiatives that promote inclusivity, diversity, and community involvement in sport, play, and recreation.

Joey Yovich, Co-Founder and Chair said, "Grassroots Trust Limited's investment has done more than support operations - it has changed lives. With a dedicated Project Lead at the helm, the ReSport Charitable Trust has redistributed 6,500 sports gear items, repurposed 6,000 textiles into home insulation and processed 85kg of end-of-life gear into low emission fuel and cement. But the true impact is social.

This project has protected families from the rising cost of living, giving marginalised children, youth and adults the chance to play, belong, and access equitable opportunities to thrive through sport, recreation, play and education. The estimated economic investment of one million dollars in community cost savings means that families can redirect limited funds toward registration fees, travel or essentials. Your support has strengthened a movement that uplifts Northlanders and ensures equity is more than just a word - it's a lived experience."

Auckland City Mission

People come to The Mission for many different reasons; some are rough sleepers, living in cars and inappropriate housing, others are battling addictions, living with mental health issues, or struggling to feed their families. People access The Mission's services to help them through a short and challenging time in their life, others need a sustained and long-term plan for support. Auckland City Mission offer support for however long and in whatever way it is needed. Some people visit the Haeata Hub daily, others occasionally, all are warmly welcomed to connect and share in the community.

Grassroots Trust provided \$30,000.00 in funding to support the purchase of groceries for meals that are prepared every day of the year for people experiencing homelessness or who are facing a period of adversity in their lives.

Helen Robinson, Manutaki / CEO / Auckland City Missioner said, "The provision of food is a vital part of how we build connection and trust, creating pathways to the wider support people may need. That journey often begins with a hot meal at Haeata – a safe, welcoming space where hope and healing can begin. We're deeply grateful to the Grassroots Trust, whose support came at a critical time and enabled us to continue meeting the immediate needs of people experiencing homelessness. Thank you for recognising and supporting the work we doyour generosity has made a real difference in the lives of many."

Te Hiku Sports Hub Incorporated

Te Hiku Sports Hub is a community-led initiative whose primary goal is to create a regionally significant multi-functional sporting and recreational hub in Kaitaia that will provide inter-generational benefits to the entire Far North and its communities.

The development of Te Hiku Sports Hub has been some 12+ years in the making and is the most significant multi use sporting facility ever developed in the Far North and will benefit the community for decades to come.

Their request for funding focused on the procurement, installation, and commissioning of the swimming pool's heating, ventilation, sanitation, and reticulation systems, which are essential to making Te Hiku Sports Hub a safe and accessible facility for the entire community.

In support of this, Grassroots Trust proudly contributed \$167,685.15.

Additionally, the Hub have received a grant of \$50,000.00 towards the operating expenses of running the facility.

The funding has allowed them to not only continue operating but also has negated the need to increase admission/membership fees or reduce levels of service.

Mike Mitcalfe, Chair said, "Te Hiku Sports Hub is a multifunctional Sporting Hub encompassing a Heated Indoor Swimming Pool complex, Community Gym, Clubrooms, 8 Hard Courts, 2 multifunctional fields, running tracks and associated amenities. The facility was designed and built from 2019 to 2024. As a result the facility was developed and built through the very challenging time of COVID which resulted in significant time delays and hyperinflation. Despite value engineering and constructing as efficiently as possible, we found ourselves short of funding to complete construction.

The \$167,685.15 grant we gratefully received from Grassroots was a lifesaver and enabled us to complete construction and commission the facility as planned.

This fantastic donation has enabled well over 100,000 people to visit and utilize the facility since opening and benefit from the immense health and wellbeing benefits the facility now provides. From our entire community, Thank you!".

YMCA of South Waikato

The South Waikato YMCA is the leading youth development agency in the South Waikato region, providing essential services and programs for youth at risk, children exposed to unsafe environments, and young people who require a stable and consistent environment to thrive.

Due to recent reductions in government funding, they face significant challenges in sustaining the salaries of their dedicated youth workers, who are at the heart of their prevention, intervention, and development services for youth and children in the South Waikato region.

Grassroots Trust provided support of \$45,000.00 towards the salary costs of various Youth Workers.

Supporting their youth workers is an investment in the future of the South Waikato community.

YMCA of South Waikato said, "Grassroots Trust's support has been instrumental in enabling South Waikato YMCA to continue delivering vital services to youth and whānau in the South Waikato community. Funding and support for salaries and wages allowed us to retain key staff during a time when many organizations are being forced to scale back due to economic pressures. This stability has ensured continuity in our programmes, strengthened relationships with young people and their families, and enabled us to respond more effectively to rising needs in our community. Thanks to Grassroots support, we've not only maintained service levels—we've deepened our impact and helped create a more connected, resilient South Waikato."
